

2017 Ladbrokes Up For The Challenge Series – Updated 31.5.17

*Where greyhounds finish on the same points at the conclusion of the rounds, the greyhound which competed in more event heats shall be the higher ranked runner. If greyhounds are still equally ranked then the winner of more events in the series shall be higher ranked.*

*Participants are advised that Grafton will now host the final round due to Lismore not being in a position to race. Points are standard for all rounds. No double points apply.*

**Stayers**
