KEEP THE NSW GREYHOUND INDUSTRY

To the Honourable the Speaker and Members of the Legislative Assembly of the New South Wales Parliament. The petition of the people of NSW brings to the attention of the House:

- that we are opposed to animal cruelty
- our opposition to the Baird government forcing the NSW greyhound racing industry to shut from 1 July 2017
- that Greyhound Racing NSW are introducing reforms to ensure positive changes to industry practices
- the negative economic and social impacts that the industry shutdown will bring to regional communities including job losses

The undersigned petitioners therefore ask the Legislative Assembly to:

- reverse the Baird government's decision to shut down the greyhound racing industry from 1 July 2017
- implement the comprehensive reforms recommended by Hon Michael McHugh AC QC and the Special Commission of Inquiry
- acknowledge the positive reforms that Greyhound Racing NSW has introduced to prevent animal cruelty
