

Thursday, September 21 – Wentworth Park Access

Access via Wattle Street entry will be unavailable Thursday, September 21, 2017. This is due to 3 semi trailers needing to safely enter and exit the venue. The gates will be closed from Wednesday night until 1pm, Thursday, September 21.

Pedestrians will need to access the venue via Wentworth Park Road or gates off Wentworth Park playing fields on Fish Market side. Both are marked above with a star.

Those seeking parking will need to utilise the Wentworth Park Road Service entry or surrounding streets.

The NSW GBOTA will have an operator on site to supervise the gates. Enquires can be directed to the Trust Office or NSW GBOTA Operations Manager, Ellen Harris on 0403802022.
