

Fundraising Events @ Temora Greyhound Club

Temora Greyhound Club

Temora Greyhound Club is the perfect venue to fundraise for your Club, Association, Organisation, Charity or Cause.

This is a great opportunity to raise much needed funds, and with a little planning, your Organisation has the potential to raise several thousands of dollars, as well as partner with local businesses to promote to the Community.

Temora Greyhound Club is dedicated to facilitating the not for profit community with the opportunity to raise funds through hosting fundraising race events at our track.

We will help make the fundraising experience easier by providing your Organisation with guidance and support, so you can maximise your fundraising opportunities and put together a successful event at Temora Greyhounds.

How does it work?

Your Organisation books a fundraising event at Temora Greyhounds for an upfront cost of \$440 GST inclusive.

This allows you naming rights for the entire race programme for the meeting, which you can then sell to sponsors, to fundraise for your Organisation. Your sponsors will have the benefit of having their race name publicised to patrons on course, in race books, and announced at the races.

It is also a good opportunity for your sponsors to build their brand within the community. You can charge sponsors whatever you wish, however we feel \$200 - \$300 makes them easy to sell, and gives sponsors value for money.

As well as this, we will provide you with up to 200 entry tickets which you can pre-sell to your members and supporters for up to \$7.00, but may be sold for whatever you choose. All monies raised in this way are retained by you.

During the fundraising event, you may conduct a raffle or other fundraising activities on course. You are limited only by your imagination, however, you will need to work with the Temora Greyhounds Club Manager to ensure that any fundraising activities are acceptable to the Club.

So, Where do I start?

There are several different ways that you can raise funds at your event, including through race sponsorship, raffles, lucky door prize, competitions... the ideas are limited only by your imagination.

Firstly, you need to put together a fundraising strategy. Good planning will ensure that you get the most out of your fundraising race event.

Checklist:

- Book your fundraising date in!
- Set your fundraising goals
- Make a plan of all of the activities you are going to fundraise through - e.g. race sponsorships, ticket sales, raffles, competitions, etc.
- Work out your budget - how much you need to raise, as well as any money you need to spend such as on prizes, sponsorship needs etc.
- Plan your race night offerings for sponsors
- Create a list of sponsors to target
- Draft letters/flyers to pitch to potential sponsors
- Create an activity plan for your volunteers
- Start your fundraising!!!

Race Sponsorship

You will have available up to 10 races to sell to potential sponsors in return for a sponsorship donation to your Organisation. This number may be less than 10 if Temora track has commitments for race sponsorship on your nominated date. If this is the case the Club Manager will discuss options with you.

If your sponsors are available to come to your race event, it is also an opportunity to have a great time out with family and friends.

It is up to you what amount you decide to ask your sponsors for. When planning this, consider what you are giving your sponsors in return for their donation.

Example Only: Sponsors donate \$300 each - each get a race book, drinks for two people, free entry.

Item	Cost	Profit
Sponsors Contribution 10 @ \$300		\$3,000
Drinks for Sponsors	\$100	
Race Books (\$4 each) 1 per sponsor 10 races	\$40	
Race Night Cost (\$440)	\$440	
TOTAL	\$580	\$3,000

Total Profit - Costs = \$3,000 - \$580 = \$2,420

For example you could put together a package that gives your sponsors more than just naming rights, but also free tickets to the race night, drink tickets, catering, a meal voucher. It depends on your budget. The package you create may make sponsorship more attractive to sponsors, making it easier to bring sponsors on board.

* Note the example shown to the left takes into account race sponsorship only, and does not include fundraising profits from entry tickets, or other fundraising sources.

Sponsors

How do you find sponsors?

Put together a letter or flyer with a pitch to your sponsors about why you are fundraising, and what you are offering in return for their donation. The Club can help you with templates if you need. Have members hand out flyers and letters to their families, friends and workmates, who may have local businesses interested in sponsorship.

Excluded Sponsors

Temora Greyhounds has a number of existing relationships with sponsors. Please speak to the Club Manager to ensure that you are not approaching existing sponsors.

Sponsor Advertising

Your sponsors may wish to put up fence advertising during the event. This can be arranged, please speak to the Club Manager.

You may wish to print posters, or a race day hand out to thank your sponsors or promote their business, your Organisation and the reason for the fundraiser. If you need assistance or ideas, speak to your Club Manager.

Photos with the Winning Dog

Your sponsors may wish to arrange a photo with the winning dog of their race as a memento of their sponsorship. Speak with the Club Manager to make arrangements.

Thank your Sponsors

Don't forget to thank you sponsors after the race event! A good way to do this is to send a follow up letter, which tells the sponsor how much your event raised, and thanking them for their contribution to the total. The Club has thank you letter templates to assist you should you need.

What else can I do to fundraise?

Race Entry Tickets

The Club will give you up to 200 entry tickets which you can pre-sell for up to \$7.00 each, with all monies retained by your Organisation. You do not have to sell these for this amount, you can use these to give away to your members, or can sell them for less, it is up to you. Note that these tickets must be pre-sold and cannot be sold at the gate on the night.

Raffles / Lucky Door / Competitions / Auctions

You are limited only by your imagination as to how you can raise extra fundraising monies on course on the night. All the Club asks is that you run any ideas past the Club Manager so that we can ensure your plans are allowable under our Club rules and relevant legislation, and will not pose any safety risks to the Club.

If you are stumped for ideas, speak to our Club Manager, who may be able to give you some inspiration or guidance.
